## PARTICIPANT EXPERIENCE

## Access where and when you need it.

Your life does not operate on a 9-5 schedule, so whether you are using our website, mobile app or calling on the phone, you can manage your benefit and continuation accounts and get support whenever you like.

## FAST AND EASY.

Finally, a benefit experience built around your needs.

Use your TASC Card to easily access benefit account funds (or MyCash!) everywhere Mastercard is accepted.

When your benefits are this smart, easy and connected, you can get back to your priorities, taking care of the people and things you care about most.

A fresh and modern approach to employee benefits. Because after all, benefits should feel like benefits.
