WHY TASC

It started with a desire to help a friend.

Total Administrative Services Corporation (TASC) was founded on a simple belief: regular people should be able to receive the same tax advantages as large corporations.

In the process, we brought simplicity to one of the most complicated systems in the world: the US tax code. The solution worked so well, we continued to invent products that transformed the lives of farmers and other entrepreneurs, their families, and their communities. And we're still in the life-changing business for employers of all sizes, in all markets, today.

After more than 45 years in the benefit administration industry, our conviction is stronger than ever. We've discovered a new way to remove complexity, a new way to help Americans pay less tax and invest more in their health and prosperity.

We are committed to understanding our clients' needs and ambitions and will configure a solution, whether they have one employee or one million. Because when Americans have more money to spend, when they invest in their health, when they have the tools to support their families, when they give back to their communities, when they save and grow, **we all benefit.**

TASC at a glance:

- » **72,000 clients** across the United States
- » **\$2.7 billion** in funds handled each year
- » **\$30 billion** saved in taxes by TASC clients and participants
- » **\$1.6 million** donated to charity by TASC and its employees in last year
- » **94% of clients** feel their customer service representative handled their call with courtesy and professionalism

TASC FORM 5500 PREPARATION OVERVIEW

If you have 100 or more employees participating in a Group Health and Welfare Plan, or your plan has benefits set up under a trust, you (the Plan Sponsor) must electronically file an IRS Form 5500 and applicable Schedules. In addition to possible criminal penalties for willful IRS Form 5500 failures, you may be fined up to \$2,194 per day during which time your IRS Form 5500 is late or incomplete.

Form 5500 must be filed for Health and Welfare Benefit Plans subject to ERISA, which include:
