Payroll & tax solutions that scale with your business

TASC Payroll Plus simplifies payroll administration.

In today's workplace, the growth and financial success of your business are inherently tied to the capabilities of the payroll system. Whether you're looking to outsource payroll for the first time, or are thinking about switching from another provider, TASC helps make payroll effortless.

Save time processing payroll.

Manually inputting payroll can take up a great deal of time. Our solutions provide easy-to-use interfaces to enable users to enter payroll themselves. Whether you are a payroll professional or a small business owner with limited payroll experience, we have a solution that will allow you to focus on what's most important – growing your business.

Never worry about paycheck errors.

Nothing is more important than making sure your employees' paychecks are accurate and delivered on time. **49% of workers** say they would start a new job search after just two paycheck issues. Eliminate time-consuming, error-prone manual calculations and minimize HR frustration and employee dissatisfaction by switching to the industry's leading payroll and tax engine.
